

Hello, ONE Members!

It has always been an honor and privilege to build strong relationships with all of you, as well as the many businesses and communities we serve. I greatly appreciate and value your business, and am thrilled to share some exciting news with all of you!

We are now ONE Federal Credit Union: It's a makeover, not a takeover, ONE step better!

We've recently changed our name and logo to ONE Federal Credit Union to better reflect our commitment to all of our members in all of the communities we serve. But, what hasn't changed is our steadfast commitment to making every day simpler for all of you. At ONE, you can continue to count on our expertise, exceptional service that is always member-focused, no hidden fees, and many free or low-cost products and services. At ONE, we're banking... but better! This new brand and marketing roll-out is extensive, so it won't all happen overnight. In the coming weeks and months, our new logo will appear in all of our branch offices, and will also be reflected on our web site, signage, and on your statements and financial products. You can also expect to see ONE in various media outlets, including print advertisements, online, and video campaigns.

In the meantime, please rest assured that nothing will change with any of your existing accounts. You can continue to use all of your Meadville Area Federal Credit Union items (checks, deposit slips, debit cards, loan payment booklets, etc.). All cards and printed materials will eventually be updated to reflect ONE and the new branding.

I am so excited to launch this new brand with all of you! You and our employees are our strongest advocates and supporters. We're counting on you to help us inform and educate our communities about ONE and the many financial products and services we will continue to offer. Together, we will lead others to also become ONE Members and ONE Brand Investors.

As always, thank you for your continued loyalty and support.

Sincerely,

Heather Clancy-Young
